ERC OR ERD

Electronic Refund Check or Direct Deposit

To qualify for an ERC or ERD, there are a few things that you need to know about....

- You must have a valid picture ID.
- Your return **MUST** be accepted by the IRS before you qualify. **After** the return is accepted, it can take 12-21 days to receive your check or your direct deposit.
- This service is a privilege, not a right or even a guarantee.
- You **CAN NOT** be delinquent in any IRS or government payments, child support, student loans, state hospitals or other federal or state funded programs. If you do owe, they will take all or part of your refund.

IF FOR SOME REASON YOU DO NOT RECEIVE ANY OF YOUR REFUND DUE TO ANY OF THE ABOVE REASONS, YOU ARE STILL RESPONSIBLE FOR PAYING US FOR PREPARING YOUR TAXES.

I understand the above requirements and I still wish to proceed with the ERC or ERD.
